CREATING UBIQ IMPRESSIONS

On Purchasing 10 units of Ubiq product,
A tree is planted,
Enriching the environment,
Impacting the life of a farmer.

Together,
we are making the world
a better place,
one tree at a time.

Scan the sample QR
to monitor the growth of the tree and
identify the details of the benefeciary farmer

THE SUSTAINABLE COLLECTION

UBIQ sustainable cotton range of garments are produced using Turkish Powered Optiknit technology by solely using recycled plastic and leftover cotton.

By choosing this garment, you are actively conserving about 5000 litres of water and re-purposing at least 4 non-biodegradable plastic bottles.

OF PLANTATION

Creating UBIQ Impressions

On behalf of (company name) in collaboration with SankalpTaru Foundation, we acknowledge and celebrate your conscious decision to contribute to a greener future by planting a tree.

Your support for sustainable print practices is deeply appreciated. By scanning the QR code below, you can view the geo-tagged location of your tree and are welcome to visit the site to see the impact of your choice.

Together, we are making the world a better place, one tree at a time.
